The above information is also available on the Federal Ministry of Finance website www.fmf.gov.ng and Office of Accountant-General of the Federation website www.oagf.gov.ng. In addition, you would find on these websites details of the Capital and Recurrent allocations to all arms of Government including Federal Ministries and Agencies. The Budget Office website www.budgetoffice.gov.ng also contains information about the Budget.

Dr. Yerima, Lawal Ngama

Hon. Minister of State for Finance

Abuja, Nigeria.

The image shows a rectangular grid of graph paper. On the left side, there is a vertical margin consisting of three columns: a narrow column on the far left, a wider column in the middle, and another narrow column on the right. The rest of the page is filled with a uniform grid of small squares. The grid is approximately 20 columns wide and 25 rows high.

SOURCE: Office of the Accountant-General of the Federation.

A vertical grid of 10 columns and 100 rows, resembling a ledger or spreadsheet. The grid is composed of thin black lines forming a series of small rectangular cells. The grid is oriented vertically on the page.

The image shows a vertical strip of a grid or table on the left side of the page. The grid consists of many rows and columns, but the content is almost entirely obscured by a dark, textured pattern that looks like a scan artifact or a heavy shadow. Only the faint outlines of the grid lines are visible, suggesting a dense structure of data or text that cannot be read.

The image shows a vertical grid of approximately 100 rows and 10 columns. The grid is composed of thin black lines forming a series of small rectangular cells. The content within the cells is mostly blank, with some faint, illegible markings or text visible in certain rows, particularly towards the top and bottom. The grid appears to be a placeholder for data or a template for a table.
