AGF MADEIN MOURNS LATE JONAH OTUNLA

The Accountant General of the Federation (AGF), Mrs. Oluwatoyin Madein has expressed deep sadness on the passing away of a former Accountant General of the Federation, Late Mr Jonah Oguniyi Otunla.

In a statement in Abuja, Madein said the late former Accountant General of the Federation (AGF) worked hard to bring the Treasury of the Federation to the present enviable position, especially in the implementation of a series of Public Finance Management Reforms.

Madein, who described the Late Otunla as an amiable personality, noted that he has gone to be with his Maker and prayed for the repose of his soul.

She commiserated with the family of the late former AGF and the Treasury of the Federation over the unfortunate incidence.

Late Jonah Oguniyi Otunla was Accountant General of the Federation from July 2011 to June 2015.
